4. No documents shall be entertained from the candidate through any other mode like e-mail/fax/Whatsapp, etc.
5. If the original certificates are not in English language, English translation of such certificates, duly certified by the Principal/Director or other competent authority of the institution last attended, will be required to be uploaded by the candidates.
6. **Only JPEG files would be permitted to be uploaded.** Files in other formats like PDF and DOC are not permitted. More than one sheet can be uploaded one by one. Please be sure that files are NOT password protected.

The Document Verifying Officer of the University will download such documents, verify them with the details given by the candidate in application form and mark them as "Verified", if found in order.
2. In case of a doubt regarding the documents, the Document Verifying Officer of the allotted university will raise a query to the candidate, against which, the candidate can respond through her/his login. This interaction between the Document Verifying Officer and the candidate can occur only once.
3. **The time permitted for re-submitting the document will be as per the counselling schedule. The candidate is, therefore, advised to be vigilant about re-submission of documents.**
4. The candidate will be compulsorily required to submit his clarifications/re-submit the documents in response to the queries raised by the Document Verifying Officer of the allotted University in the stipulated time period, failing which (s) he will be treated as Not-Reported, and hence her/his seat will be cancelled and (s)he will not be considered for seat allotment in subsequent rounds.

E. Deposition of Seat Acceptance Fee

1. Once the uploaded documents have been found and marked “Verified” by the University, candidate will be required to pay the non-refundable Seat Acceptance Fee of Rs.10,000/- (Rs. Ten Thousand only) across the board, irrespective of category, on the ICAR’s Counselling portal. After confirmation of receipt of Seat Acceptance Fee, the University will mark the candidate as “Provisionally Admitted”.
2. The candidate may opt for “Upgradation” after depositing the Seat Acceptance Fee.
3. In case of “Upgradation” of Seats, the candidates are not required to pay the Seat Acceptance Fee again.

F. Issue of Provisional Admission Letter

1. After verification of the uploaded documents of the candidate, payment of Seat Acceptance Fee by the candidate and reconciliation of the admission status of the candidate after completion of final reporting by the university, a Provisional Admission Letter will be issued to the admitted candidate through e-mail.
2. No correspondence from the candidates/guardians/parents will be entertained by the Council for seeking permission for late registration/admission in the universities or issuing any direction in this regard to the admitting university.

G. Upgradation

1. After the first round of allotment, some candidates may be allotted their 2nd/3rd/4th or even lower choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of in-eligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. However, the candidate will be considered for sliding ONLY to one of the better/higher choices that were given by him/her at the time of online choice filling.
2. **The candidate has to exercise the choice of ‘Upgradation’ after deposition of Seat Acceptance Fee.**
3. The status of all the candidates who have opted for “Upgradation”, will be available through University Login with complete chain of developments (In/Out).
4. If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her. If the candidate gets a better choice, then his/her initially allotted seat will stand forfeited and the candidate will have to accept the “Upgraded” seat. In no case, such “Upgraded” candidate will be allowed to retain the initially allotted seat. **THEREFORE, THE CANDIDATE MUST BE VERY CAREFUL IN EXERCISING THE REQUEST FOR “UPGRADATION”.**
5. In reporting module of the University login, all “Upgraded” candidates will be marked as “Admitted” by default by the system. The University will not be able to change their status as Not Reported/Not Eligible. However, if such “upgraded” candidates, do not report on the specified date of registration/attending classes in the upgraded university, then their admission will not be considered against ICAR quota seats.
6. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional document requirements, if any, for the allotted course, well in advance, before physically reporting to the finally allotted university at the time of registration or attending classes or as per the “upgraded” university requirements. If the “Upgraded” University/ Course has some additional requirements of documents, then the onus shall lie on the candidate to fulfill all such requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates.
7. Since, there will be only four rounds of counseling (and mop-up round if needed), request for “Upgradation” will be permissible only during the first, second and third rounds. Subsequent round of allotments (2nd, 3rd and 4th) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

Subsequent rounds of online counseling will be conducted immediately after online reporting by the university is complete at the end of a particular round of counseling. If a candidate is “Upgraded” during the second/third allotment and he/she still has scope of getting a better choice, then he/she can again request for “Upgradation”. The Upgradation requests shall be tried first to give the candidates their better choice.

Thereafter, the same process for subsequent rounds of counseling will be followed until completion of counseling.

H. Physical Reporting at the finally allotted university

1. The candidate at the time of registration/attending the classes in the finally allotted university or as per requirement of the admitting university shall produce all the original documents (as uploaded by him/her on the portal) for physical verification by the university.
2. After adjustment of the Seat Acceptance Fee of Rs.10,000/- (Rs. Ten Thousand Only) initially paid by him during the counselling, the candidate shall pay the balance amount of fee to the university for confirming admission.
3. If any candidate fails to deposit balance admission fee and original certificates and/or additional documents, if required by the university, the provisional admission of the candidate will be cancelled and his/her claim for admission will stand forfeited.

I. Other conditions related to admission process

1. Candidate, not fulfilling the eligibility condition(s) at the time of online document verification by the allotted university, will forfeit claim for admission and will not be considered for seat allotment. Candidature in such cases shall be rejected summarily. No correspondence shall be entertained thereafter in this regard.
2. In case a **candidate has been admitted in a subject/programme at a university, any request for change/transfer of subject/university after the completion of counseling, will not be entertained by ICAR.** The candidate, once admitted in a degree programme as per his/her merit-rank and availability of seat at the time of counseling, will not stake claim for change of subject/college/University later on after his/her admission is over.
3. All admitted candidates will be required to submit original certificates /documents and mark sheets to the Registrar of the allotted University, otherwise admission may not be granted. All original certificates/documents including reservation category certificates [SC, ST, OBC(NCL), EWS, PwBD] submitted by the candidates may be sent by the allotted University to their respective Boards/commission and Universities for verification. In case, a candidate wishes to withdraw the original certificates after the admission, he/she shall directly request the allotted University for the same if the university rules so permit. Any temporary or permanent withdrawal of original certificates will be governed as per the concerned University rules. ICAR has no objection if certificates are returned to the candidate after verification at the time of Physical reporting by the candidate to the university.

J. Refund Rules

On cancellation/withdrawal of admissions up to end of 4th round (5PM of specific date) of counselling, the entire fee collected from a student shall be refunded in full after deduction of Rs.1,000/- (Rs. One Thousand only) as processing fee. For any request for refund, thereafter, the refund policy of the admitting university shall be applicable and no correspondence will be entertained by the Council in this regard. The refund process by the Council shall commence after the completion of admission process at the universities and will be completed within 6 months after completion of admission/ physical verification process.
